## HOT CHOCOLATE IN A JAR WITH MARSHMALLOWS

### Ingredients in Jar:

- Oat powder milk
- Dark cocoa powder
- Brown sugar
- White marshmallows

### To Add:

- Hot water or milk (for serving)

### Instructions:

1. Scoop three to four tablespoons of the hot chocolate mix from your jar into a mug.
2. Add hot water or milk to fill the mug, stirring well to ensure all the chocolate and sugar are completely dissolved.
3. Top with marshmallows from the jar, which will melt into a gooey, delightful topping.
4. Enjoy a warm, comforting cup of hot chocolate, perfect for those cold winter evenings.
